

BLACK ISLE SHOW

SHOW JUMPING QUALIFIER

Dear Show Secretary

We are pleased to announce the Showjumping qualifiers for the Black Isle Show 2018 and hope that you will promote this to your clients. We attach sample entry form for you to send to entrants. Please adhere to the form in its current state to enable quick and easy comprehension of the rules for entry.

For your information, the first three placed riders will qualify, with the criteria of a double clear round to be met in order for them to come forward to the final at the Black Isle Show 2018. If any of the first three do not have a double clear they will not be eligible to qualify from this show.

As the prize fund for the final will be substantial and we would like to ensure a high quality of show jumping for our general public to watch on the Wednesday evening, we have insisted on the above criteria being met. We trust that this in no way discourages your club from running a qualifying round.

The final will be run under British Show Jumping rules but is not a BS show, therefore allowing non-members and affiliate members to complete in the classes. The qualifying rounds will be 95cms and 105cms with the final being 100cm and 110cm.

Many thanks for your help in running these classes for us and if you have any questions please do not hesitate in contacting myself.
