All Sheep require an EID tag.

The Disease Control (Interim Measures) (Scotland) Order 2002, (as Amended) Article 7

Any sheep moving to shows or exhibitions must be individually ear tagged or tattooed and the movement reported to the Scottish Animal Movement Unit, 161 Brooms Road, Dumfries, DG1 3ES (Tel No: 08456017597) email: samu@scotland.gsi.gov.uk) with the individual ear numbers listed as this involves a movement from one premises to another. (HOLDING NUMBER FOR MANNSFIELD SHOWGROUND IS 91/762/8001). **This is the responsibility of the stock owner not the Show Organisers. Animals moving to shows for the first time will not have to be kept separate prior to moving to the Show irrespective of whether any other livestock have been moved onto those premises in the 13 day period immediately before moving. If attending only one show within any one 13 day period the animal will not require to be held separate on return from the show nor will the return home trigger a 13 day standstill for any other animal on the home farm. Also animals may move from show to show or may return to their usual premise of residence without triggering a 13 day standstill provided they are kept in separate facilities under an approved separation agreement with SEERAD. In all cases the standstill period for pigs is 20 days.**
